A Report on
An Awareness Camp on HIV/AIDS

No. of Participants: 30 Volunteers

Date: 31.03. 2022

Place: College Campus

An Awareness camp for HIV/AIDS was organised by NSS UNIT in collaboration with MMCH on **31.03. 2022**. Red Ribbon Club was also one of the organisers of the camp. Nazmul Khan, OST Counsellor, Msd MC gave inaugural speech in the session. 30 students attended the session. A question answer session was organised, which was very effective to clear the doubts of the students regarding unknown facts of HIV, AIDS.

Objective:

The objective of the awareness camp for HIV/AIDS was multifaceted. Its aims to educate students about the transmission, prevention, and treatment of HIV/AIDS, thereby reducing stigma and discrimination associated with the disease. The camp intends to promote safe practices such as regular testing, condom use, and access to healthcare services among individuals at risk. Additionally, it seeks to empower participants with accurate information to make informed decisions regarding their sexual health and well-being.

Outcome:

The outcome of the awareness camp was highly impactful. The camp encouraged proactive behaviour change, with many attendees pledging to adopt healthier practices and promote HIV/AIDS awareness within their social circles. Additionally, the event facilitated meaningful discussions and engagement, sparking ongoing dialogue about sexual health and well-being. Overall, the outcome of the awareness camp was a more informed, empathetic, and empowered community ready to take collective action in the fight against HIV/AIDS.
